

WEEKLY REPUBLICAN—1912.  
DAILY PUBLIC LEDGER—1912.

In India a girl never sees her husband until after marriage. In this country she seldom sees him after marriage.

Obadiah Plummer and his sister, Lillian Plummer, were drowned in each others arms near Bethlehem, Ind.

Following a review of the fall maneuvers of the army Emperor William left Berlin for a visit to Switzerland.

Theodore Roosevelt started on a month's journey which will carry him into many states of the Union in his campaign for the Presidency.

One of the most dangerous habits people can indulge in is that of lying in bed. Ninety-nine out of all the deaths occur in bed. Nearly one-half of all those who are murdered are murdered in bed. It is while you are in bed that your house is robbed and your chickens stolen. It is while you are in bed that the bugs bite you and bad dreams haunt you. Therefore, dear reader, never go to bed—Exchange.

#### OF LOCAL INTEREST.

SOME PEOPLE WE KNOW, AND WE WILL PROFIT BY HEARING ABOUT THEM

This is a purely local event. It took place in Maysville. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word; To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about, Endorsed by unknown people. M. C. Chisholm, 317 E. Second street, Maysville, Ky., says: "The cure Doan's Kidney Pills affected some years ago was permanent, and the testimonial I gave in their praise at that time still holds good. There was a time when my kidneys were badly disordered and I was annoyed by many symptoms of kidney complaint. Doan's Kidney Pills, procured at Wood & Son's Drug Store, corrected my trouble and my good health since then is evidence of their merit. I have seen many other cases where Doan's Kidney Pills have proven their worth."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Oh how disappointed you are to see it.—Gray hairs take away that youthful appearance that you are so anxious to, and should keep,—for beauty and good looks depend so much upon natural colored, thick, glossy and healthy hair. Everyone is attracted to the woman with beautiful hair. Why not have it—get rid of the gray hairs—keep them out altogether by using

**HAY'S HAIR HEALTH.**  
You'll be surprised how quickly it will restore those gray hairs to their natural color and how well it will keep them so.

It is not a dye but the most satisfactory and reliable restorer.

#### Beef Cattle at the Kentucky State Fair, 1912

The Beef Cattle Department, which has been one of the strongest features of the Kentucky State Fair, from an exhibitors standpoint, in the past, bids fair to be one of the most successful in the history of the institution. With about \$4,000 hung up in prize money, it is expected that representatives of the great show herds of the North will be attracted to this fair. The Kentucky State Fair being preceded by the Indiana State Fair, and followed by Tennessee, forms part of a very convenient and profitable show circuit. Short-horns, Herefords, Polled Durham, Abercrombie-Angus and Red Polls, are the breeds recognized in this year's classification.

#### WORLD-WIDE PRAYER

For Free Schools of the World Will Be Offered on September 8th

On September 8th there will be a world-wide prayer, led by 2,500 clergymen of the United States and by as many more in other countries, in behalf of the free schools of the world.

The movement for the world wide prayer was inaugurated by the National Reform Association and is a definite part of a tremendous movement which will culminate in the second World's Christian Citizenship Conference, which is to be held in Portland, Ore., June 26th to July 6th, 1913. The date September 8th has been selected because it precedes the opening of the public schools in the United States, and the simultaneous prayer is to bid all free schools Godspeed in their work.

#### POULTRY, ETC

May Go Through the Mails When Parcels Post is Established

WASHINGTON—Live chickens, ducks and geese, as well as eggs and general farm and garden products, will be admitted for transportation by parcels post, along with other merchandise, when it is instituted on January 1. This has been decided by the special commission which is preparing the regulations by which to govern the parcels post service.

The schedule is to be so arranged that city dwellers may get fresh eggs and butter, chickens and other produce direct from the farms by mail. This will be an important feature of the parcels post. Eggs and chickens produce are carried by the postal of European nations and the same conditions will apply here.

Not only will the Government carry these things, but an indemnity will be provided for their loss or damage in transit.

Farmers living in the counties contiguous to or within an easy range of Maysville will be able to supply their trade in the city direct, without ever hitching up a team and making the long journey to town.

This will save them the major expense of marketing goods, as well as saving time and money both to consumer and producer. It is possible the parcels post will prove to be a novel means of cutting the high living cost.
